October 10, 2016

June Mason, President, at Comanche Cliffs Park, Bandera TX, meeting started at 4:00 pm

Board members present: June Mason, George Fink, Jaried Singletary, Carrie Scott, and Maria Salvatierra.

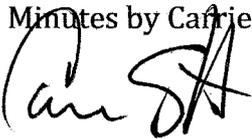

There was much discussion concerning the covenant violations. We decided for all the dead tree and brush piles we are offering a chipper quarterly to help our members accomplish the tasks of getting rid of them.

All violations were discussed as stated in a list generated in July. Some covenant violations no longer exist and were removed from the list.

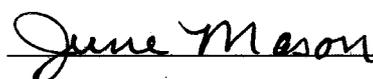

Letters will be updated. Maria will mail them out as soon as she returns.
