

September 21, 2019 at 10:15 am at Bander Electric Coop

Officers present: James Almand, Jaried Singletary, Carrie Scott, Julee Kennedy, Daniel Davidson

A meeting was called to discuss the budget for 2020 as well as discuss James' resignation from the board, and John Suttles appointment to the board upon James' resignation. The board voted to add John Suttles as President to the board for October 2019 after the meeting. Motion passed.

It was brought up to have a "meet & greet" with the neighborhood on November 1, 2019; for neighbors to come out and get to know each other. This would be potluck style, with the board providing the meat, and hoping to get David and Doc to play music in the park to go along with the potluck. Hoping to get donations for the music so the Board does not have to cover the full cost, and looking to have good time for all, no business talk.
